Lovely chalet with amazing view!

Price : 845 000€

You will fall under the spell of this recent chalet with its incomparable view! Located just 10 minutes from shops and around 20 minutes from Morzine, in a quiet area with a splendid view over the valley and maximum sunshine, this chalet has it all.

Built on 3 levels and completed in 2001, it is composed of:

- basement: a large garage, an office, a hallway, a laundry room, a cellar,
- level 1: a hallway, a toilet with hand basin, an en-suite bedroom with shower, a living room with access to a south-facing balcony and terrace, a beautiful semi-independent kitchen completely renovated with direct access to the terrace , ideal for summer meals.
- level 2: a hallway leading to two large attic bedrooms with balcony, one of which has large cupboards, a 3rd bedroom, a recently renovated bathroom with toilet, attic storage.

The chalet is extremely well maintained and work has been carried out very regularly. Its functional layout and useful rooms provide plenty of storage and design possibilities. Part of the garage could be partly converted with a permit request to create, for example, a ski room, an additional bedroom, a cinema room, a spa or a gym depending on your needs.

Large outdoor parking, a carport, 2 beautiful terraces and the flat, wooded garden complete this true corner of paradise!
